

ALEXANDER THE GREAT AND PRESIDENT ROOSEVELT: PET DOGS

In your videos, you reveal fascinating parallels between Alexander the Great and President Franklin Roosevelt.

I recently discovered another one. Both Alexander and FDR had famous pet dogs. These dogs traveled with them.

Alexander's pet dog was ***Peritas***. He traveled with Alexander throughout Asia. Some claim that he was a large hunting dog.

President Roosevelt's pet dog was ***Fala***. He was a Scottish terrier. He traveled with FDR across the USA.

In September 1944, at the start of his presidential campaign, FDR gave a famous speech about Fala. His speech was funny, and it helped him win re-election in November. You can watch it: [HERE](#)
